

- 1 Let us all turn out in the general offensive to hasten final victory in the revolutionary spirit of Paektu!
- 2 Let us greet the 70th anniversaries of national liberation and Party founding with high political enthusiasm and brilliant labour feats!
- 3 Let us glorify the 70th anniversaries of national liberation and Party founding as revolutionary, auspicious events noteworthy in the history of Kim Il Sung's nation and Kim Jong Il's Korea!
- 4 The great Comrades Kim Il Sung and Kim Jong Il are the eternal leaders of our revolution, the sun of Juche and the incarnation of the dignified powerful Paektusan nation.
- 5 Let us uphold the great Comrades Kim Il Sung and Kim Jong Il as the eternal leaders of our Party and people and as the sun of Juche!
- 6 The great Comrades Kim Il Sung and Kim Jong Il will always be with us!
- 7 Let us glorify the Kumsusan Palace of the Sun eternally as the supreme sanctuary of Juche, as a grand monument to the immortality of the leaders!
- 8 Let us arm ourselves firmly with the revolutionary ideas of the great 9. Comrades Kim Il Sung and Kim Jong Il!
- 9 Long live the great Kimilsungism-Kimjongilism!
- 10 Let us model the whole Party and all society on Kimilsungism-Kimjongilism!
- 11 Let us advance vigorously united firmly with one mind and one will as befit the descendants of Comrade Kim Il Sung and the soldiers and followers of Comrade Kim Jong Il!
- 12 Let us cherish the ties of kinship with Comrade Kim Jong Il as our lifeline!
- 13 Let us glorify the noble revolutionary careers and undying exploits of the great Comrades Kim Il Sung and Kim Jong Il for all generations to come!
- 14 Let us glorify the achievement of national liberation by Generalissimo Kim Il Sung, hero of national resurrection and legendary hero of the anti-Japanese war, for all eternity!
- 15 Long live the great victory in the war against Japan!
- 16 Let us glorify the great Generalissimo Kim Jong Il's ideas of and achievements in the Songun revolution down through the generations!
- 17 Let us brilliantly inherit and develop the glorious revolutionary traditions of our Party!
- 18 Let us accomplish the Korean revolution in the revolutionary spirit of Paektu, the spirit of the blizzards of Paektu!

- 19 The lines and policies advanced by the great Comrades Kim Il Sung and Kim Jong Il and their instructions are textbooks for the revolution.
- 20 Let us carry out the lifetime instructions of the great Comrades Kim Il Sung and Kim Jong Il whatever the conditions without an inch of deflection and without a step of compromise!
- 21 Let us advance straight along the road of independence, Songun and socialism opened by the great Comrades Kim Il Sung and Kim Jong Il!
- 22 Let us build our country into the most powerful one in the world, into a people's fairyland, as wished by the great Comrades Kim Il Sung and Kim Jong Il!
- 23 Do everything the way the great Comrades Kim Il Sung and Kim Jong Il did!
- 24 Let us step up the building of a prosperous country by applying Kim Jong Il's patriotism!
- 25 Let us exalt the brilliance of the great Kim Il Sung's country, General Kim Jong Il's country, following the leadership of Comrade Kim Jong Un!
- 26 Let us stoutly continue, following the respected Comrade Kim Jong Un, the march that started on Paektu!
- 27 The single-hearted unity is the greatest foundation and the most powerful weapon of our revolution.
- 28 Let us defend with our very lives the Party Central Committee headed by the great Comrade Kim Jong Un!
- 29 Let us defend the single-hearted unity of the Party and revolutionary ranks around the respected Comrade Kim Jong Un in a thoroughgoing way and consolidate it rock-solid!
- 30 Let all the service personnel and people form rings and rings of fortress around the respected Comrade Kim Jong Un!
- 31 Long live the glorious Workers' Party of Korea, which organizes and guides all victories of our people!
- 32 Let us strengthen and develop the Workers' Party of Korea for all ages to come into a glorious party of Comrades Kim Il Sung and Kim Jong Il!
- 33 Let us set up a new milestone in improving the Party's leadership ability and fighting efficiency in this year, which marks its 70th founding anniversary!
- 34 Let us establish the Party's monolithic leadership system more thoroughly across the Party and society!

35 Let the whole Party share the ideas, breathe the same air and keep pace with the Party Central Committee!

36 Let us establish across the Party rigorous discipline by which it moves as one under the unified leadership of the Party Central Committee!

37 Let us defend the prestige of the Party Central Committee in every way possible through the struggle to implement the Party's ideas and champion its policies!

38 Turn your units and areas into places that adjoin the yard of the office of the Party Central Committee, places where the Party's call, breath and pulse run high!

39 Keep up with the implementation of the Party's lines and policies as the major line of Party work!

40 We serve the people!

41 Let us make the principle of holding the masses dearest run through Party work as a whole!

42 Let us make the climate of respecting, loving and relying on the people prevail across the Party!

43 Focus the major effort in Party work on improving the people's standard of living!

44 Let Party organizations and officials work devotedly for the people to live up to their highest expectations!

45 Let the whole Party direct its main effort to the work with the people!

46 Raise all people into ones strong in idea and faith with the affection and the feeling of kinship as befits a motherly party!

47 Even though one may have 99 per cent of demerits and only one per cent of merit or conscience, boldly trust him and lead him to start with a clean slate!

48 Regard giving play to the spiritual strength of the masses as the main thing, compulsory path, of Party work!

49 Let Party officials learn the Party's methods of work with the people and become skilful in remoulding them and giving play to their spiritual strength!

50 Thoroughly get rid of abuse of authority and bureaucratism!

51 Regard supply service work as an important link in the whole chain of Party work!

52 Let Party cells become death-defying corps and pioneers in implementing the Party's policies!

53 Let us hasten final victory through a revolutionary ideological offensive!

54 Hold fast to ideological work as the top priority!

- 55 Let us raise a strong wind of studying the great Kimilsungism-Kimjongilism!
- 56 Concentrate on education in the greatness of the leaders, Kim Jong Il's patriotism, faith, anti-imperialist and class consciousness, and morality!
- 57 Keep the revolutionary faith to the death!
- 58 Fight death-defyingly for our country and nation!
- 59 Let us bear deep in mind the lessons from the class struggle and its truth!
- 60 Let the Party's information officials work as the buglers of the anti-Japanese guerrilla army did!
- 61 Make all well-informed of the Party's policies as they are of their own family affairs!
- 62 Fire an opening salvo of an ideological campaign and make our fire concentrated, regular and accurate!
- 63 Step up the three-revolution red flag movement!
- 64 Frustrate the imperialist moves for ideological and cultural infiltration by dint of our revolutionary ideology and culture!
- 65 Let the whole Party become information and motivation workers!
- 66 Demonstrate the revolutionary mettle as befit members of the Workers' Party of Korea in the today's general offensive true to the pledge taken in front of its flag!
- 67 Our Party's new line of simultaneously promoting the two fronts is a permanent strategic line that we must pursue as long as there exists the threat of aggression by the imperialists.
- 68 All out for a campaign to implement the Party's line of simultaneously promoting the two fronts!
- 69 The People's Army is the pillar and main force of the Songun revolution and a revolutionary armed force of the Workers' Party of Korea.
- 70 Let us model the entire army on Kimilsungism-Kimjongilism!
- 71 Adorn the 70th anniversaries of national liberation and Party founding with proud successes in consolidating the country's military strength!
- 72 Let the People's Army remain the reliable vanguard and solid cornerstone of the Songun revolution holding aloft the red flag of the Workers' Party of Korea as the foremost colours of the revolution!
- 73 Become the props and iron shields that support and defend the lineage of Mt. Paektu alone to the death!

- 74 Establish the respected Supreme Commander Kim Jong Un's monolithic command system more firmly throughout the army!
- 75 Implement to the letter the four-point strategic line and three major tasks for increasing military strength!
- 76 Make the entire army the leading force of guards who advance straight ahead with their guns levelled only in the direction indicated by the Party!
- 77 Let the People's Army become an army strong in idea and faith, a pioneer in achieving unity and the first guardian of the unity, which is unfailingly loyal to the Party and the leader!
- 78 Let the entire army become a unit of genuine comrades-in-arms!
- 79 Consolidate in every way the political and military might of Kim Jong Un's powerful revolutionary army by vigorously conducting the movement of winning the titles of O Jung Hup-led 7th Regiment and Guards Unit!
- 80 Add brilliance to our revolutionary armed forces' proud tradition of winning all battles!
- 81 This year is a year of great significance, in which we will mark the 40th anniversary of the publication of the five-point policy for military training by the great Generalissimo Kim Il Sung and the 25th anniversary of the formulation of the four major principles for military training by the great Generalissimo Kim Jong Il.
- 82 Training is also a battle!
- 83 Let the entire army bubble with enthusiasm for intensifying training as anti-Japanese guerrillas did on Mt. Paektu!
- 84 Glorify this significant year as a milestone in improving the quality of combat and political training!
- 85 Let the entire army be prepared as crack shots by raising more fiercely the flames of the movement of becoming accurate riflemen and gunners!
- 86 Should the enemy dare to invade our country, annihilate them to the last man so that none of them will survive to sign the instrument of surrender!
- 87 Be constantly on the alert without a moment's relaxation!
- 88 Establish iron discipline to develop the People's Army into an elite revolutionary force to the hilt!
- 89 All officers, become field commanders who are capable of dealing with modern warfare!
- 90 Let us develop battalions and companies into ever-victorious, elite combat units and make them soldiers' dear villages and homes that adjoin the yard of the office of the Party Central Committee!

- 91 Enrich the life of service personnel by making sustained efforts to develop soy bean farming, fishing and animal husbandry as the main thrusts!
- 92 The supply service officers of the People's Army, work with devotion for their soldiers like those of the anti-Japanese guerrilla army!
- 93 Give full play to the match-for-a-hundred spirit and fighting efficiency of the People's Army on the major fronts of building a thriving nation!
- 94 Serve the country and people!
- 95 Aid the people!
- 96 Let the wives of officers become dependable assistants to their husbands!
- 97 Officers and men of the Korean People's Internal Security Forces, sharpen the sword for defending their leader, system and people!
- 98 Let us become iron shields and red warriors who defend our Party, system and people to the death!
- 99 Let us establish the climate of attaching importance to military affairs more firmly across society!
- 100 The Worker-Peasant Red Guards is a revolutionary armed force of our Party and a reliable wing of the People's Army.
- 101 The Worker-Peasant Red Guards and the Young Red Guards, be fully prepared for an all-people resistance by intensifying training in a real-war atmosphere!
- 102 Let us turn the whole country into a socialist fairyland by the joint operation of the army and people!
- 103 Let us achieve final victory on the strength of the great army-people unity and all-people resistance based on the revolutionary soldier spirit!
- 104 Always live the way you did as a soldier!
- 105 Let us look after the families of those who fell in action, honoured disabled soldiers, war veterans and soldiers' families with sincerity!
- 106 Defence industry is the reliable arsenal of the Songun revolution.
- 107 Effect a fresh turn in developing defence industry by giving full play to the spirit of Kunja-ri!
- 108 Proactively develop and perfect powerful cutting-edge military hardware of our own style!
- 109 Step up the efforts to make defence industry Juche-oriented and independent, modern and scientific!

110 Let the defence industry sector make a positive contribution to building an economic giant and improving the people's standard of living!

111 Our Party is steadfast in its determination to make our people, who are the best in the world, enjoy all socialist benefits as soon as possible.

112 Let us tend the precious seeds sown by the great Comrade Kim Jong Il for the building of an economic giant and the improvement of the people's living standards, in order to make them bear fruit in reality!

113 Science and technology is the engine of socialist construction.

114 Let the science front stand at the forefront to fire a salvo for the triumph of socialism!

115 Let us build a fairyland for the people by dint of science!

116 Scientific research is an area of acute confrontation with imperialism!

117 Go beyond the cutting edge!

118 Accelerate the industrial revolution in the new century by introducing CNC technology into the production lines and achieving their full automation!

119 Launch more cutting-edge sci-tech satellites and applications satellites of our style!

120 Raise the level of modernization and scientification in weather survey and forecast!

121 There is no border in science, but our scientists and technicians have the socialist motherland of Juche and the great Party.

122 Scientists and technicians, stand in the vanguard of the struggle to build a thriving country that is developing, civilizing and advancing at a fast pace!

123 Prove the validity and vitality of the Party's policies in reality by proactively developing cutting-edge science and technology!

124 Build "gold mountains" and "treasure mountains" with brilliant scientific and technological achievements!

125 To resolve the food problem of the people and improve their dietary life on a higher level with crop cultivation, animal husbandry and fishing as the main thrusts is the most important task facing our Party at present.

126 Agriculture is the trench on the first line of the forward echelon of the campaign to defend socialism and the main thrust area for the building of an economic giant!

127 Let us glorify through generations the new history of "gold plains" created by the great Comrade Kim Jong Il!

- 128 Let us make our country overflow with rice by boosting cereals production!
- 129 Actively introduce water-saving farming and other scientific farming methods!
- 130 Let us work hard to secure water resources as an all-people campaign!
- 131 Let us encourage organic farming on an extensive scale!
- 132 Establish the food production cycle of crop cultivation and livestock farming, and fruit growing and livestock farming!
- 133 Let us beat the world in fruit farming by making it scientific, modern and intensive!
- 134 Make fruits cascade down and their sweet aroma fill the air on the sea of apple trees at the foot of Chol Pass!
- 135 Grow vegetables extensively in greenhouses!
- 136 Let us turn ours into a country of mushrooms by making mushroom cultivation scientific, intensive and industrialized!
- 137 This year we will mark the 50th anniversary of the creation of the sub-workteam management system by the great Comrade Kim Il Sung, which is the advantageous form and method of our style to organize and manage for production.
- 138 Demonstrate the advantages of the sub-workteam management system to the full!
- 139 Properly apply the field responsibility principle within the sub-workteam management system in order to make it pay off in agricultural production!
- 140 Press on with the South Hwanghae Province waterway project in the revolutionary spirit of death-defying implementation and self-reliance!
- 141 Let us carry through the great Generalissimos' instructions on "grass for meat"!
- 142 Let us expedite the construction of the large-scale livestock farming base in the Sepho area!
- 143 Produce larger quantities of meat, eggs and milk holding high the banner of science-based livestock farming!
- 144 Create a new history of "gold sea" by emulating the fishing sector of the People's Army!
- 145 Let this socialist country resound with Song of Big Fish Haul and be permeated with the fragrant smell of fish and other seafoods!
- 146 Modernize fishing vessels and implements and actively introduce advanced fishing methods!
- 147 Let the strong wind of fish farming blow across the country!

- 148 Conduct on a large scale fish and other seafood farming in rivers, lakes and seas!
- 149 Resolutely thwart the sanctions schemes of the imperialists by effecting a great upswing in light industry!
- 150 Produce larger quantities of high-quality consumer goods which are favoured by the people and have competitive edge on the world market!
- 151 Speed up the work to make foodstuff factories fully automated, germ- and dust-free!
- 152 Keep the laughter of the children ring by increasing the production of their foodstuffs!
- 153 More stylish school uniforms and quality school things for our dear children!
- 154 Give fullest play to the vitality of the movement of producing August 3 consumer goods!
- 155 Let the Tanchon area make an active contribution to improving the people's standard of living by boosting up production!
- 156 Let us turn all counties into the people's fairyland by applying the spirit of the historic Changsong Joint Conference!
- 157 Electricity is the lifeline of the national economy.
- 158 Let the whole Party, the entire army and all the people be enlisted to increase the electric-power generation radically!
- 159 Complete with credit the construction of the multi-tier power stations on the Chongchon River until the 70th anniversary of Party founding!
- 160 Speed up the construction of the Paektusan Songun Youth Power Station, Orangchon Power Station, Ryesonggang Power Station and Wonsan Army-People Power Station!
- 161 Raise the efficiency of the generating equipment to the maximum and prevent the loss of power in transmission!
- 162 Let us definitely convert the electricity control system of the country into an electricity-saving one!
- 163 Develop and make effective use of wind, tidal, geothermal and solar energy!
- 164 Coal-miners!
- 165 The height of coal heaps means the increase in electricity generation and the tempo of the building of an economic giant.
- 166 Let us support the Party with increased coal production!

- 167 Concentrate efforts on the production of coal for electricity generation and supply high-quality coal in larger amounts to the thermal power stations!
- 168 Give top priority to the supply of equipment and materials required for coal production!
- 169 The metal and chemical industries are twin buttresses of an economic giant.
- 170 Kindle fierce flames of production upsurge in Songjin and Chollima steel complexes!
- 171 Bring the Juche iron production system to perfection and normalize its production on a high level!
- 172 Send larger quantities of high-grade iron ore to metallurgical factories!
- 173 Fertilizer means rice and socialism.
- 174 Let Hungnam and Namhung produce Juche fertilizer in a larger amount!
- 175 Let the large-scale chemical factories make an active contribution to ensuring domestic production of raw materials for light industry and building materials!
- 176 Railways are the arteries of the country.
- 177 Let the rail transport sector establish rigid discipline as the army does and fully satisfy the demands by the national economy for transport!
- 178 Accelerate the work to make the railways heavy-duty, high-speed and IT-based!
- 179 Bring to completion the rehabilitation of the northern railways as early as possible!
- 180 Let us improve the appearance of the railway stations and the areas adjacent to railways by the concerted efforts of the service personnel and people!
- 181 Develop air transport onto a new high!
- 182 Build the Wonsan Port into a world-class one!
- 183 Develop and manufacture the machines and equipment required for modernization!
- 184 Produce and supply major ordered equipment in time and in a qualitative way!
- 185 Explore and make rational use of valuable underground resources of the country!
- 186 Make foreign trade multilateral and diversified!
- 187 Accelerate the development projects of the Wonsan-Mt. Kumgang international tourist zone and economic development parks!
- 188 Builders!

- 189 Let us usher in a great golden age of construction by thoroughly applying the Party's Juche-oriented idea on architecture!
- 190 Set up in larger numbers monumental structures in which the Juche character, national identity, originality, convenience and formative and artistic beauty form perfect harmony!
- 191 Hold fast to the principle of prioritizing convenience, aesthetic beauty and the outlook on the future in designing and building work!
- 192 Develop zero-energy, zero-carbon and green architectural technologies and introduce geothermal cooling-and-heating system!
- 193 Ensure on the highest level the combination of designing, building work and building materials, the three elements of construction!
- 194 Sustain in construction the features unique to one's province and region!
- 195 Complete with credit the construction of Mirae Scientists Street and other major projects and thus splendidly adorn the venue of the grand October celebration!
- 196 Land administration is a patriotic undertaking of lasting significance for achieving the prosperity of the country and creating the well-being of the people.
- 197 Let the whole Party, the entire army and all the people turn out in the war to ameliorate nature, in the campaign to restore the forests of the country!
- 198 Vigorously conduct the movement of winning the titles of forest of socialist patriotism and model county in afforestation!
- 199 Let us cover the whole country with fruit and other trees and flowers!
- 200 Introduce scientific, industrial and intensive methods into the production of tree saplings!
- 201 Bring tideland under reclamation on a grand scale so as to widen the land of the country!
- 202 Turn all the rivers into those that give benefits to the country, are full of treasures and bring happiness to the people!
- 203 Work out scrupulous measures to prevent damages from flooding, severe drought, storm and heavy snowfall!
- 204 Hasten the work to build up roads for modern, heavy-duty and high-speed purposes!
- 205 Devote pure conscience to road maintenance like the members of the family workteam on Kubong Pass!
- 206 Let the cosmos flowers bloom all along the roads and railways!

- 207 Let us launch a vigorous society-wide campaign to conserve the environment and nature!
- 208 Let us protect and make use of underground, forest and marine resources in order to add glory to our legendary country full of treasures!
- 209 Let us develop Pyongyang more splendidly into a majestic and picturesque world-class city, as the centre of Songun culture!
- 210 Let us turn the whole country into a socialist fairyland by modelling it on Pyongyang, capital of the revolution!
- 211 Keep streets, villages, mountains and rivers as neat and tidy as one's own courtyard!
- 212 Plant a large number of flowering and cover plants so that no land is left bare!
- 213 Improving economic management is an urgent requirement for building an economic giant.
- 214 Let us establish an economic management method of our style as demanded by the developing reality!
- 215 Ensure that producers fully discharge their responsibility and role as masters of production in economic management!
- 216 Ensure maximum profit in economic activities while firmly adhering to socialist principles!
- 217 Conduct production and management in conformity to the objective economic laws and as required by modern science and technology!
- 218 Let us strengthen the Cabinet responsibility system, Cabinet-centred system in the economic work!
- 219 Work out a rational and effective strategy for business operation and enterprise management based on the national strategy for economic development!
- 220 Hold fast to the principles of scientific accuracy, viability and enlisting in planning work!
- 221 Radically improve the quality of products and enhance their competitive edge!
- 222 Self-reliance is the only way to survive!
- 223 Put production on a normal footing and speed up the advance of socialism, holding aloft the banner of self-reliance!
- 224 Let us realize modernization, relying on our own strength and technology!
- 225 Get rid of the proclivity to imports and ensure domestic production of raw and other materials and equipment!

- 226 Establish exacting order of regular operation, regular repair and regular maintenance at all units!
- 227 Be in charge of your workplaces and villages, split into square metres, and take good care of them with the attitude as befitting masters!
- 228 Economy means increased production and patriotism.
- 229 Economize on every watt of electricity, every drop of fuel oil and water, and every gramme of coal and cement to the maximum!
- 230 It is a firm will of our Party to create at the fastest speed the highest level of civilization, which would be envied by the world.
- 231 Let us bring about a revolution in education in the new century to develop ours into a country of education, a talented nation!
- 232 Decisively improve the quality of the universal 12-year compulsory education!
- 233 Develop the contents of education into practicable, comprehensive and modern ones!
- 234 Closely combine theoretical education with practical education for students to learn useful knowledge!
- 235 Let us vigorously push forward educational work, viewing it as one of the important national affairs involving the entire Party, the whole country and all the people!
- 236 Let us closely combine family education with social and school education and bring up the coming generations to be honest and sound!
- 237 Let teachers become roots and foundations for the future of the motherland!
- 238 Let us make all the people well versed in science and technology, and develop our country into a scientific and technological power, a talented nation!
- 239 Speed up making the working class well versed in science and technology with the rooms for disseminating sci-tech knowledge as bases!
- 240 Physical culture and sports are important in demonstrating the national strength and preparing all the people for labour and national defence.
- 241 Let us raise the status of our country to that of a sports power at an earliest date possible!
- 242 Let us fiercely raise the sports wind across the country!
- 243 The height of a medal-awarding podium represents the prestige of the motherland!
- 244 Glorify the honour of Songun Korea before the eyes of the world by winning more gold medals!

- 245 Play sports games in an offensive way, the way the anti-Japanese guerrillas did!
- 246 Let us make sports mass-based and part of our everyday life!
- 247 Encourage folk games and sports events participated by the masses and develop physical training for national defence!
- 248 Journalists and other media persons, and creators and artistes!
- 249 Bring about a fresh revolution in mass media!
- 250 Let mass media become a travelling companion dear to the masses and a pathfinder of the times!
- 251 Make larger numbers of ideological "missiles" capable of severely damaging the enemy and instilling firm confidence in victory among our service personnel and people!
- 252 Let us support the Songun-based leadership of the Party by creating large numbers of masterpieces!
- 253 Learn from the revolutionary and militant manner of creating works developed by the Moranbong Band to bring about innovations in creative activities!
- 254 Create excellent works of art and literature that portray the revolutionary careers and immortal exploits of the peerlessly great men of Mt. Paektu!
- 255 Kindle the flames of a fresh revolution in cinema, starting from the production of animations!
- 256 Make the advancing ranks brim over with enthusiasm and optimism by producing large numbers of songs that champion the Party's policies and enlivening folk songs!
- 257 Let us turn the whole country into a land of the arts and make the arts mass-based!
- 258 Make every workplace overflow with revolutionary and fighting morale by actively conducting mass-based cultural and artistic activities!
- 259 Devotion is the attribute and lifeblood of the socialist public health service.
- 260 Show people utmost devotion the way the medical workers in the Chollima era did!
- 261 Improve the hygiene and anti-epidemic work and preventive and curative medical care so as to give fullest play to the advantages of the socialist public health system!
- 262 Bring to perfection telemedicine and the medical information network!
- 263 Boost the production of highly-efficacious medicines conducive to promoting the people's health!

- 264 Let us make the whole society pulsate with national sentiments and noble and beautiful lifestyle!
- 265 Let us establish cultured ways in production and life on a high level!
- 266 Let us conserve the excellent cultural heritage of our nation and inherit and develop them!
- 267 The people's government is a powerful political weapon in building a thriving nation and is responsible for the people's livelihoods.
- 268 Let us further develop the most advantageous people-centred socialist system of our own style!
- 269 Let us consolidate our people's power to make it rock-solid!
- 270 Let us give full play to the advantages and might of socialism so as to make socialism as different in all respects from capitalism as heaven is from earth!
- 271 Let the people-oriented policies and favours of the Party and the state reach the people as they are!
- 272 Steadily improve the people's living standards so as to make the cheering for the Workers' Party and socialism resound!
- 273 Let us make the laudable traits of taking care of orphaned children, the elderly with no one to support them and people with disabilities a tradition of the country that has become one large family!
- 274 Let us create a thoroughgoing revolutionary atmosphere of law observance throughout society by strengthening obedience to the socialist law!
- 275 Let us all observe the country's law and order voluntarily with a noble sense of civic duty!
- 276 Let judicial and prosecutorial organs fulfil their sacred mission and duty of defending the leader, the policies, the system and the people!
- 277 Intensify education in law observance and law-based struggle to reliably guarantee the building of a thriving nation by law!
- 278 Let the officials in the law-enforcement organs become fierce tigers for the unsound and hostile elements and faithful and true servants for the people!
- 279 Build up the single-hearted unity of the revolutionary ranks by enforcing law properly as required by the Party's policies!
- 280 Wage the class struggle dynamically by relying on the masses!
- 281 Establish revolutionary discipline and order and keep the Party, state and military secrets strictly!
- 282 When young people are astir, the whole country becomes astir and a revolutionary upsurge is brought about on all fronts of building a thriving socialist country.

- 283 Let us become young heroes in the worthwhile struggle to glorify the great Kim Jong Un's era!
- 284 Young people, be vanguard fighters who are unfailingly faithful to the 346. 346. Party's revolutionary cause of Songun!
- 285 Always advance straight ahead, following the Party!
- 286 Give fullest scope to the heroic spirit and mettle as befit reliable point-men and wing of the Party in the struggle to carry out the revolutionary cause of Songun!
- 287 Towards the trench on the first line of the Songun revolution singing loudly the song Train Bound for the Front!
- 288 Become today's Ri Su Boks and Jo Kun Sils, who are ready to lay down their youth and lives for the sake of their only motherland!
- 289 Go through fire and water in response to the Party's call!
- 290 Add brilliance to your youth like your fathers and mothers did!
- 291 Build up the youth league into steely combat ranks strong in the sense of organization, unity and fighting efficiency!
- 292 Enhance the fighting efficiency of the working people's organizations and give fullest play to the patriotic zeal of their members!
- 293 Launch brisk mass-based movements and make the flames of socialist emulation drive sweep the whole country!
- 294 The general onward march of the new century of the Juche era demands revolutionary and militant fighting spirit and working style with which to make a leap forward while looking out over the world.
- 295 Let us create a new spirit of the times, the speed of Korea, by means of our 356. Party's revolutionary mode, fighting style and creative way!
- 296 Korea does what it is determined to do!
- 297 All at once!
- 298 Carry out the tasks given by the Party within the time it has set and on the level it requires!
- 299 Let us learn from the fighting spirit, the spirit of carrying out the Party's lines and policies to the death, and the meticulous working style of the Korean People's Army Unit 267!
- 300 Let the units visited by the great leaders be exemplary and standard ones in implementing the Party's policies!

- 301 Let Pyongyang lead the country in all aspects by creating today's Pyongyang spirit, Pyongyang speed!
- 302 Let us create prototype units in all sectors and effect joint innovations!
- 303 Get rid of stereotypes and formulae and create new things constantly!
- 304 Cover hundreds of kilometres at a stretch when others are taking tenth or one hundredth step!
- 305 Keep your feet firmly planted on this land and look out over the world!
- 306 Let us hold dear and add brilliance to our own things!
- 307 Carry out the Party's policies as exactly in all aspects as the Chonji Lubricating Oil Factory did!
- 308 The more books we read, the earlier the country prospers; the less books we read, the later the country prospers.
- 309 Let us establish the guerrilla's way of studying throughout society!
- 310 Overcome thoroughly the manner of working like extinguishing fire after it has broken out, like a flash in the pan and like conducting a shock campaign!
- 311 As long as we are with the respected Comrade Kim Jong Un, sorrow and hardship as well as joy are an honour for us!
- 312 Let us live not merely for today but for tomorrow!
- 313 Acquire a noble outlook on the revolution and the future that one year of our hard work means ten years of advance for our motherland!
- 314 Let us make the whole country resound louder with the song We Are the Happiest in the World.
- 315 Forward towards a bright future, filled with confidence in sure victory and optimism!
- 316 The destiny of the Party's policies rests on the officials' shoulders.
- 317 Be standard-bearers and vanguard fighters in today's general offensive!
- 318 Be ardent supporters of the Party's policies and thoroughgoing fighters who implement them in a do-or-die spirit!
- 319 Let us live and work like the officials in the 1970s, the period of laying the Party's foundation for carrying forward the cause of Juche!
- 320 Organize and guide undertakings dynamically like the commanding officers of the revolutionary army on the frontline!
- 321 Intensify on-site guidance and political work!

- 322 Planning, command and review, all in a three-dimensional way and at lightning speed!
- 323 Make tireless efforts with an extraordinary determination to resolve the problems of the people's living at any cost!
- 324 Do everything in an innovative and scientific way!
- 325 Read the minds of producers first before measuring the quantity of their products!
- 326 Supply service work is immediately the struggle to defend socialism!
- 327 Sweep away defeatism, self-preservation, expediency and self-centeredness!
- 328 It is a long-cherished desire of all the fellow countrymen and urgent task of the nation to put an end to the tragedy of national division that has lasted 70 years.
- 329 Let us build a dignified and prosperous reunified country on this land without fail true to the lifetime wishes of the great Comrades Kim Il Sung and Kim Jong Il.
- 330 Let us hold high the three charters for national reunification and the north-south declarations as charters and great programmes for national reunification common to the nation!
- 331 Let the whole nation join efforts to open up a broad avenue to independent reunification in this year which marks the 70th anniversary of national liberation!
- 332 Let us put an end to interference by outside forces and achieve national reunification independently under the unfurled banner of By Our Nation Itself!
- 333 Let us bring about a great turn in the inter-Korean relations in this year that marks the 15th anniversary of the June 15 Joint Declaration!
- 334 Let the whole nation turn out and write a new chapter in the history of inter-Korean relations in hearty response to the peerlessly great man's patriotic call!
- 335 Let us determinedly thwart the military provocations and schemes of war games by the US and south Korean warmongers!
- 336 Let us rise up in the nationwide struggle to drive the US imperialist aggressive forces, the root cause of national misfortune and war, out of south Korea!
- 337 Let us resolutely frustrate the anti-DPRK "human rights" schemes by the US and its vassal forces!
- 338 Let us hold fast to the principles of our foreign policy— independence, peace and friendship!
- 339 Let us maintain the revolutionary principles and independent stand with all consistency in foreign relations!

340 Let us develop foreign relations in a multilateral and proactive way, giving top priority to the dignity and interests of the country!

341 Let us develop friendly and cooperative relations with all countries that respect the sovereignty of our nation and are friendly to us!

342 All Party members, officers and men of the People's Army and people!

343 An opening salvo of the general offensive for the 70th anniversaries of national liberation and Party founding has been fired.

344 The revolutionary spirit of Paektu, the spirit of the blizzards of Paektu and the anti-Japanese revolutionary forerunners' call to keep the revolutionary faith even if one may die, stir up further the confidence in sure victory and fighting spirit of our service personnel and people, who are charging forward along the road of Juche against all odds, and inspire loyalty and passion in the advancing ranks.

345 No force can check this sweeping advance of the service personnel and people, who are marching in fine array arm-in-arm, shoulder-to-shoulder, following the leadership of the respected Comrade Kim Jong Un, a great man of Paektu.

346 The flags bearing the beaming images of the great Comrades Kim Il Sung and Kim Jong Il will fly forever in the van of our revolutionary ranks that achieve only victory and glory, and always inspire us to fresh victories.

347 All forward towards the venue of victory celebration!

348 Long live the great victory in the anti-Japanese war and the 70th anniversary of national liberation!

349 Long live the 70th anniversary of the Workers' Party of Korea!
